ALCOVA Mortgage Makes List of Fastest Growing Companies in America for the Eighth Time

Inc. magazine released their latest Inc. 5000 list this week, and ALCOVA Mortgage was honored as one of the fastest-growing private companies in America for the eighth year!

Inc. magazine ranked ALCOVA Mortgage # 1615 on its 40th annual Inc. 5000 list, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment— its independent small businesses. Companies such as Microsoft, Intuit, Zappos, Under Armour, Patagonia, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

ALCOVA Mortgage is one of only two companies in the Roanoke Valley to be recognized. "Being listed for the eighth year is an honor for us," said Bobby Nicely, one of the three company owners. "We consider this to be a validation of the quality of people on this team, and the passion they have for serving people while simplifying the mortgage process." In the past three years, ALCOVA has grown 288 percent.

"The 2021 Inc. 5000 list feels like one of the most important rosters of companies ever compiled," says Scott Omelianuk, editor-in-chief of Inc. "Building one of the fastest-growing companies in America in any year is a remarkable achievement. Building one in the crisis we've lived through is just plain amazing. This kind of accomplishment comes with hard work, smart pivots, great leadership, and the help of a whole lot of people."

In addition to ALCOVA's mission to simplify the mortgage process, they strive to make home a better place by being active in local communities to improve the lives of their neighbors. As part of their community outreach, ALCOVA honors a Veteran each month as part of its "Hometown Heroes" program. Additionally, they host school supply drives and holiday toy donations annually while also extending their support and gratitude to teachers, law enforcement, and nurses.

ALCOVA Mortgage has built a strong reputation as a leader in residential mortgage lending, serving the needs of individual homebuyers, real estate professionals, builders, and investors. ALCOVA Mortgage was founded in 2003 by three childhood friends (Bobby Nicely, Rob Lindstrom and Bill Siple) who named the company to honor their roots in Allegany County, VA. Headquartered in Roanoke, VA, ALCOVA Mortgage has more than 70 branches serving 14 states. ALCOVA Mortgage is an Equal Housing Lender and an Equal Opportunity Lender.
