ALCOVA Mortgage Donates \$20,000 to the MAC Athletic Booster Club to Support Student Athletes

ALCOVA Mortgage LLC proudly presented a check for \$20,000 to the MAC Athletic Booster Club to support the needs of their student athletes at the first Alleghany High School football game of the season on Friday, August 25th.

A love for sports has always been part of ALCOVA Mortgage's history. In fact, ALCOVA Mortgage was founded twenty years ago by three childhood friends (Bobby Nicely, Rob Lindstrom and Bill Siple) who named the company to honor their roots in Alleghany County, VA. The three owners of ALCOVA Mortgage met while playing little league and believe that sports are a positive outlet for children to gain skills, develop a sense of teamwork and participate in healthy competition.

ALCOVA's local history in Alleghany County and its twentieth anniversary in 2023 sparked the idea to give back in a big way to Alleghany County students with the \$20,000 donation. "Our Alleghany County community has always supported us since Day 1," says Covington Branch Partner Jason Helmintoller. "It is such a privilege to give back to a community that has done so much for us over the past twenty years."

Representatives from ALCOVA's Corporate Office in Roanoke, VA and the ALCOVA Mortgage Covington branch office were present at the game to do the check presentation and set up a tent to give away gameday tattoos, mini footballs and pom-poms to the Alleghany High School students.

In addition to ALCOVA's mission to simplify the mortgage process, they strive to make home a better place by being active in local communities to improve the lives of their neighbors. As part of their community outreach, ALCOVA honors a Veteran each month as part of its "Hometown Heroes" program. Additionally, they host school supply drives and holiday toy donations annually while also extending their support and gratitude to teachers, law enforcement, and nurses.
